Tickle Monster Productions
New York, NY

I'm writing to thank Paul Mecurio and Tickle Monster Productions for the outstanding video they recently produced for my organization. The attention to detail was unsurpassed and the quality beyond expectation. The overall experience from beginning to end was not only enjoyable but the process was seamless, which resulted in a flawless production. The audience had the pleasure of watching a first-class video with an outstanding cast who were able to portray those in our industry in a meaningful, yet humorous way. Thanks to you, our members will not forget the wonderfully entertaining opening session of our conference!
