RE: Testimonial for Performance by Paul Mecurio

Dear Jeff,

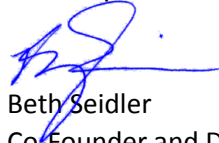

I wanted to take a moment to write about our experience with one of your speakers, Paul Mecurio. I found Paul when I literally searched "Investment Banking Comedy." Then I reached out and the rest, as they say, was history. Our experience from that first phone call with Leading Authority to the standing ovation Paul received at our event was outstanding, professional and top-notch.

Clearsight Advisors is an investment banking firm headquartered in the DC Metro area. Every August we celebrate our firm, our people and our successes at an annual offsite. We had asked Paul to perform for our firm and our guests this year. I usually plan the event and like to keep our "headlining talent" a surprise. Well, I will tell you that the cat kind of got out of the bag, but everyone was still blown away!

After our initial diligence call, Paul wanted to make sure that the performance was tailored exactly for our crowd. We spent sessions over the phone, over email and text message to make sure that not only was the content accurate, but that it was going to hit... and boy did it! In the first 30 seconds of the performance, Paul had them hooked, rolling in the aisle and on the edge of their seats. If I can add another (accurate) cliché.. Paul was the king of comedy. He was also down to earth and had fun with us. The fact that he was previously in investment banking and familiar with the DC area, was the icing on the cake.

I am overwhelming glad that we were able to have Paul perform for us and hope that we can keep in touch. I very much enjoyed every part of the preparation and the performance. It was a pleasure to work with Paul.

Sincerely,

Beth Seidler
